Consent for Urine Drug Testing

I hereby give my voluntary consent for a urine sample to be collected from me and submitted for drug testing. I understand that the specimen will be collected using a chain of custody procedure and will be sent to a SAMSHA-approved laboratory for testing if deemed non-negative. The laboratory results will be reviewed by a Medical Review Officer who may contact me to discuss my personal physicians to verify medical or prescription information.

I understand that the Medical Review Officer will make a final determination of the test result and will notify Human resources of this result. If my urine is determined “positive”, I understand that I have 72 hours to request a re-analysis of the same specimen or a split specimen according to company policy.

I have read the Urine Drug Screening Procedure Information Sheet and this Consent Form. Any questions that had regarding this procedure have been answered to my satisfaction.

Hepatitis B Vaccine

☐ Declination
I understand that due to my occupational exposure to blood or other potentially infectious materials I may be at risk of acquiring hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with hepatitis B vaccine, at no charge to me; however, I decline hepatitis B vaccination at this time. I understand that by declining this vaccine I continue to be at risk of acquiring hepatitis B, a serious disease. If, in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with hepatitis B vaccine, I can receive the vaccination series at no charge to me.
