

### **Day of Surgery Instructions:**

- **Location:** St. Francis Hospital and Medical Center, 114 Woodland Street Hartford, CT 06105
- **Parking:**
  - *Valet parking:* available straight ahead at main entrance- drop your car off and an attendant will park it for you
    - Hours of availability: 6:00am- 9:00pm
      - If your surgery is before 6:00am, please have your driver drop you off at the main entrance and use self-park
  - *Parking Garage:* available straight ahead to the right of valet parking at main entrance
    - Hours of availability: 24/7
- **Arrival:**
  - Walk through the main entrance and let security know where you are going. They will direct you to a minicab which will bring you to your location
    - CJRI check-in is located on the 4<sup>th</sup> floor using the RED elevators
    - Main OR check-in is located on the 3<sup>rd</sup> floor using the GREEN elevators
- **Check-in:**
  - A receptionist will ask for your ID card and arrive you for your surgery
- **Pre-operative preparation:**
  - Who will you see?
    - Nurse
    - Anesthesiologist
    - Neurosurgeon
    - Medical Device Representative
    - Neuromonitoring Technician
- **Surgery:**
  - You will be escorted to your operating room where a medical time out will be performed confirming your procedure
- **Post-operative location:**
  - You will be brought to the post-operative recovery area where nursing will care for you until you are discharged or admitted to the hospital (dependent on what is required with your surgery)
- **Discharge:**
  - *Same day-* if you leave same day, you can be picked up at the main entrance by your ride
    - Note: Please specify if you would like your prescriptions sent to the hospital pharmacy or your local pharmacy on file
  - *After a hospital stay-* a case manager will work to formulate a safe discharge plan with you
